If the board is satisfied that the applicant is qualified to receive an official absentee ballot, the application shall be marked "approved." Such approval decision shall be final and binding, except that challenges may be made only on the ground that the applicant did not possess the qualifications of an absentee elector. Such challenges must be made to the county board of elections prior to 5:00 o'clock P. M. on the first Friday prior to the election. When so approved, the registration commission shall cause an absentee voter's temporary registration card to be inserted in the district register on top of and along with the permanent registration card. The absentee voter's temporary registration card shall be in the color and form prescribed in subsection (e) of this section:

Provided, however, That the duties of the county boards of elections and the registration commissions with respect to the insertion of the absentee voter's temporary registration card of any elector from the district register as set forth in section 1302.2 shall include only such applications and emergency applications as are received on or before the first Tuesday prior to the primary or election. In all cases where applications are received after the first Tuesday prior to the primary or election and before five o'clock P. M. on the first Friday prior to the primary or election, the county board of elections shall determine the qualifications of such applicant by verifying the proof of identification and comparing the information set forth on such application with the information contained on the applicant's duplicate registration card on file in the General Register (also referred to as the Master File) in the office of the Registration Commission and shall cause the name and residence (and at primaries, the party enrollment) to be inserted in the Military, Veterans and Emergency Civilian Absentee Voters File as provided in section 1302.3, subsection (b). In addition, the local district boards of elections shall, upon canvassing the official absentee ballots under section 1308, examine the voting check list of the election district of said elector's residence and satisfy itself that such elector did not cast any ballot other than the one properly issued to him under his absentee ballot application. In all cases where the examination of the local district board of elections discloses that an elector did vote a ballot other than the one properly issued to him under the absentee ballot application, the local district board of elections shall thereupon cancel said absentee ballot and said elector shall be subject to the penalties as hereinafter set forth.

(d) In the event that any application for an official absentee ballot is not approved by the county board of elections, the elector shall be notified immediately to that effect with a statement by the county board of the reasons for the disapproval. For those applicants whose proof of identification was not provided with the application or could not be verified by the board, the board shall send notice to the elector with the absentee ballot requiring the elector to provide proof of identification with the absentee ballot or the ballot will not be counted.

(f) Notwithstanding the provisions of this section, a qualified absentee elector shall not be required to provide proof of identification if the elector is entitled to vote by absentee ballot under the Uniformed and Overseas Citizens Absentee Voting Act (Public Law 99-410, 100 Stat. 924) or by an

If the calling of a special election would make it impossible to comply with the forty-five day delivery or mailing requirement of this section, then the county board of elections shall mail absentee ballots or special write-in absentee ballots within five days of the county board's receipt of the information necessary to prepare said ballots.

(b) The county board of elections upon receipt and approval of an application filed by any elector qualified in accordance with the provisions of section 1301, subsections (i) to (l), inclusive, shall commence to deliver or mail official absentee ballots on the second Tuesday prior to the primary or election. If the county board has verified the proof of identification as required under this act, is satisfied that the declaration is sufficient and the information contained in the "Registered Absentee Voters File," the absentee voters' list and/or the "Military Veterans and Emergency Civilians Absentee Voters File" verifies his right to vote, the county board shall announce the name of the elector and shall give any candidate representative or party representative present an opportunity to challenge any absentee elector upon the ground or grounds: (i) that the absentee elector is not a qualified elector; or (ii) that the absentee elector was within the municipality of his residence on the day of the primary or election during the period the polls were open, except where he was in the military service or except in the case where his ballot was obtained for the reason that he was unable to appear personally at the polling place because of illness or physical disability; or (iii) that the absentee elector was able to appear personally at the polling place on the day of the primary or election during the period the polls were open in the case his ballot was obtained for the reason that he was unable to appear personally at the polling place because of illness or physical disability. Upon challenge of any absentee elector, as set forth herein, the board shall mark "challenged" on the envelope together with the reasons therefor, and the same shall be set aside unopened pending final determination of the challenge according to the procedure described in paragraph (5).

If the county board of elections does not receive or is not able to verify the proof of identification for an elector prior to the absentee ballots' being sent to the appropriate local election districts, the county board shall keep the absentee ballot and follow the procedures set forth in paragraph (2) or (3), whichever is applicable.

(2) If the proof of identification is received and verified after the absentee ballots have been distributed to the appropriate local election districts, but prior to the sixth

calendar day following the election, then the county board of elections shall canvass the absentee ballots under this subsection in accordance with subsection (g) (2), unless the elector appeared to vote at the proper polling place for the purpose of casting a ballot, then the absentee ballot cast by that elector shall be declared void.

(3) If an elector fails to provide proof of identification that can be verified by the county board of elections by the sixth calendar day following the election, then the absentee ballot shall not be counted.
