

Getting Connected . . .

Do you need help finding
local community resources for
behavioral health & substance use services
in Bucks County?

Getting help is easy with Magellan Behavioral Health of Pennsylvania, Inc.:

**For adults age 26 and over
along with those supporting adults**

Contact Eve Hauser at 215-504-3953 or
EPHauser@MagellanHealth.com

**For children and transitioning adults
up to age 26**

Contact Marissa Gates at 215-504-3966 or
MLGates@MagellanHealth.com

How we can help you and your family:

- Listening to your concerns related to behavioral health and substance use.
- Providing educational support regarding the complaint and grievance process.
- Helping you connect to community supports, available services, support groups, peer and family networks and other available county and public resources.

Visit MagellanofPA.com for more information and resources including our Member Handbook.
