Dear Bucks County Voter,

During the 2020 Election Cycle, you applied to receive an annual mail in ballot application. Per Pennsylvania State Law, this means that you will receive a renewal form every February for that year's election cycle.

Enclosed is a mail-in ballot application. If you do not submit this you will not receive a mail-in ballot for the 2021 Municipal Election Cycle. If you do return this you will receive ballots for both the municipal primary, if eligible, and the municipal election. You may also apply online at www.votespa.com/applymailballot. The deadline to apply for a mail ballot is 5:00 PM on the Tuesday before the election. Please note, your application must be received by the county board of elections by the deadline. Postmarks do not count.

Please be aware that if you receive a mail-in ballot and return your voted ballot by the deadline, you may not vote at your polling place on election day. If you are unable to return your voted mail-in ballot by the deadline, you may only vote a provisional ballot at your polling place on election day, unless you surrender your mail-in ballot and envelope to the Judge of Elections to be voided to vote by regular ballot.

The 2021 Election dates are:

Municipal Primary - Tuesday May 18, 2021
Municipal Election - Tuesday November 2, 2021

If you wish to no longer receive annual mail-in ballot applications you may cancel by printing and returning the "Request to Cancel my Ballot Request" available at www.votespa.com found under the pages Resource Center.

Sincerely,

Thomas A. Freitag, Director
